Robert V. Remini's A Short History of the United States is an abbreviated, accessible, lively, and erudite narrative history that contains the essential facts about the discovery, settlement, growth, and development of the American nation and its institutions. Racing across the centuries—from the arrival and migration of Native Americans and the discovery of the New World by Europeans, the American Revolution, the Civil War, the Great Depression, up to the global conflicts of the twentieth ...

The title is "a short history of the United States" which limits you from criticizing the book in many ways. The first two chapters (15th to the end of 18th century) are stuffed with information one after another. It starts good but after a few pages the writer loses the ability to tell a story and starts to just report the events.
